## Timetable of Events

Whilst every effort has been made to check the accuracy of this document, it is liable to change if errors are subsequently found. The timetable which is published in the official event programme is the only one which will be used at the event.

**PLEASE DO NOT ASK US WHICH HEAT ANYONE IS IN** - you won't get a reply. That information will be in the official programme which will be issued to each athlete and which will be on sale at the event. Please read the FAQs pages on the website - they contain answers to all the common questions posed over the last 10 years.
