

Suffolk Schools Cross Country Championships

5th December 2009

In Suffolk, we invite the top 50 in each of the age groups in each of the two Area Championships to what we call the A races, the first of our County trials. From the 100 competing in these races we ask the top 40 to run in the final trial, known as the B races. Unfortunately the B races were cancelled because of snow so these are the results from the A races (run on Dec 5th).
