## SAINSBURY'S TRACK & FIELD SCHOOLS' CUP

TO MEMBER OF STAFF I/C ATHLETICS

Dear Colleague,

We extend to you a warm invitation to enter teams from your school in the English Schools' Athletic Association Sainsbury's Track and Field Schools' Cup Competition. This booklet contains a copy of the rules and important information about the new **online entry** system. You can find other information including scoring tables and last years results on the website.

### 1. HOW TO ENTER

Entries **must** be made on the internet

- a. Go to the ESAA website at **www.esaa.net**
- b. Click on Year 2006
- c. In the T&F Schools' Cup menu click the Online Entry Form link
- d. Enter the security code you can find printed in the paper copy of this document which was sent to your school, and enter your school's postcode. If you cannot find the security code please use the **contact us** link on the website and supply sufficient information for us to be able to verify that you are a genuine teacher. The security code will then be phoned through to your school secretary - for obvious reasons we won't be able to give it to just anyone who asks!

Entering a team is very quick: you will be asked to fill in your name, phone, and email address details, then tick which teams you wish to enter. You will need to enter a password of your choice to enable you to log in again to follow the progress of the competitions and to allow you to enter your athletes names and events just before each competition.

An invoice is displayed together with payment instructions - you can print this and pass on a copy to your school secretary to pay electronically by BACS or by sending a cheque in the post.

### 2. HOW TO PAY

- e. The cost is £10 per team. Payment can be electronically by BACS or by cheque through the post.
- f. Electronic payment - (preferred method): Give a copy of the invoice which is presented to you online to your school's account department for payment . The account details are printed on the invoice.
- g. Cheque payment - print a copy of the invoice and enclose it with a cheque for the correct amount made payable to **ESAA**. Post the cheque and copy of your entry to...  
**Paul Ponton, The Old Vicarage, South House, Corbridge, Northumberland NE45 5DR**

### 4. CLOSING DATE

The closing date for entries is 28th February 2006 and the online entry form will be closed at midnight that day. Your subsequent payment should be received no later than Friday 10<sup>th</sup> March.

## 5. ONLINE INFORMATION

All available details of the events will be available to you at all times on the internet, including Competition Rules, Score Tables, Award Badges and Certificates, Previous Years Results, Contact Information for Co-ordinators / County Secretaries / Regional Secretaries, Lists of Schools Entered in your County etc..etc.. Additional features will be added during the run up to the events. You will need to log in to the secure area for teachers to view this information, using your email address and the password you entered when you made your entry.

## 6. ONLINE TEAM DECLARATION

You will be able to enter the names of your squad of athletes at any time in the run up to the event. You need the firstname, surname and date of birth of each potential team member - these names will be stored online for the full duration of each pupil's school career so you only need to enter them once. A few days before the event you need to select your teams and click the events each athlete will do - you can then print a copy of these for display on your school noticeboard and another copy to bring to the event. Illustrated instructions showing how to follow your progress through the events will be available on the website.

## 7. DATES OF COMPETITIONS - PLEASE NOTE THESE IN YOUR DIARY NOW

<b>1st Rounds</b>	Between Monday <b>15th May</b> - Thursday <b>18th May</b> . Competitions should be held during this time but no later than Thursday <b>18th May</b> .
<b>REGIONAL FINALS</b>	<b>12th - 14th June</b>
<b>CUP FINAL</b>	Saturday <b>1st July</b> at Kings Park, Bournemouth, Dorset

Each County Cup Secretary will determine the date for the 1st round after consultation with competing schools.

## 8. RESULTS

A computer program will be available for downloading from the internet to simplify results production. This will automatically include all the teams and athletes' names which have been entered for each event. First round events do not *have* to use this program but it will make computing the results much simpler for each event and ensure that the correct points are allocated for each performance.

The organising school **must phone** the results of this round to their County Cup Secretary by evening of **Thursday, 18th May**, or they can be uploaded directly to the internet using the facility provided in the results program.

Regional Cup Secretaries need the results by evening of **Friday, 19th May**.

## 9. EXPENSES

If a track is hired for the staging of 1st round matches, schools competing must be prepared to share the hiring fee and other expenses. Schools withdrawing from a competition after the round has been organised by the County Secretary will be required to contribute to any costs in staging that round.

## 10. INSURANCE

All rounds of this competition are covered by the ESAA Insurance Scheme.

We very much hope that your school will decide to enter the 2006 competition, and wish you all every success.

Yours sincerely,

**Edna Beveridge and Paul Ponton**
