

NEW BALANCE ENGLISH SCHOOLS VIRTUAL CROSS COUNTRY 2021

Due to Covid-19 restrictions, these results reflect the performances submitted by athletes running individually around courses of their own choosing, at locations all throughout the Country. Courses should have been 2Km for Juniors and 5Km for Inters and Seniors, but these were not necessarily accurately measured. Some courses would have been flatter than others, some would be rougher than others, some would have been on paved roads or park paths, some would have been in fields. The weather would have been variable too. Runs were made between 15th to 28th March 2021
